GAZA

Georgia Association of Zoning Administrators

The Georgia Association of Zoning Administrators (GAZA) includes local elected officials, appointed Board members, and staff members. The organization's goal is to promote the best decision-making practices in zoning and development matters through continuing education conferences, networking, etc. Members represent urban, suburban, and rural areas statewide.

Our winter and summer conferences bring public and private officials together to learn about best practices and evolving issues from planning and zoning experts in the legal fields, legislative policy, and other topics.

The GAZA Summer Conference will be held August 27-28, 2026, at the Marriott Riverfront Hotel and Conference Center in Savannah, Georgia. We would be delighted to have you serve as a sponsor. We expect approximately 150-200 zoning professionals to attend the conference. Sponsorship affords you great exposure to conference attendees.

We appreciate your interest in sponsoring the 2026 GAZA Winter Conference.
Please let us hear from you by January 1st.

Sincerely,

Toussaint Kirk

President
